is accredited by the GCC Accreditation Centre (GAC) in accordance with the recognised International Standard ISO/IEC 17065:2012, "*Conformity assessment -- Requirements for bodies certifying products, processes and services*". This accreditation demonstrates technical competence for a defined scope as detailed in and at the locations specified in the scope of accreditation to this certificate. The accreditation scope to this certificate is an essential accreditation document and from time to time may be revised and reissued by the GCC accreditation Center. The most recent issue of the scope of accreditation which bears the same accreditation number as this certificate, is available from the GAC website www.gac.org.sa. The accreditation is subject to continuing conformity with GAC Accreditation requirements and the status of accreditation can be checked in the GAC's website to confirm the validity of this accreditation.

Issue Date: 11 March 2024
